CONDITIONS OF CARRIAGE

All passengers, luggage, vehicles, goods and livestock are carried subject to the Company's Conditions of Carriage as published, exhibited and available at the Company's offices, on board its ships, and on the Company's website at www.calmac.co.uk, and are subject to other Operators' Conditions of Carriage when appropriate.

RESERVATION ARRANGEMENTS

Advance payment is required in respect of all bookings made. Reservations made by multi-journey ticket holders must be confirmed by credit card at the time of booking. Unless cancelled prior to the sailing time, passengers failing to show will be charged the full single fare. To avoid disappointment we recommend that on reservable routes a booking is always made for all vehicles. Where a vehicle is booked for a return journey and fails to show for the outward sailing, the return booking will be cancelled. Only one reservation per vehicle/per direction/per day will be accepted.

CONNECTING SERVICES

Many journeys involve using more than one mode of transport. Take care when planning your journey – especially if you're intending to catch the last connecting service of the day. Be realistic about how much time you leave to make connections allowing for unexpected delays. There can be traffic delays, rail services can be amended at weekends and ferries are often affected by bad weather. Always check for road works or possible service disruption before setting off.

Train timings in this publication are reproduced from information supplied by ScotRail and are for guidance only. CalMac does not accept liability for the costs associated with accommodation or travel by bus, train or taxi etc, required after any missed connections. Where the arrival time of a train, for example, allows less than the advertised minimum boarding time for the ferry (see individual timetables), the connection cannot be assumed or guaranteed. Intending passengers should confirm connections with individual operators.

VALIDITY OF TICKETS

Conditions of issue of tickets: Any ticket issued by CalMac, or any other body, company or person, upon whose property or premises the ticket may be available, is subject to the Conditions of Carriage published by CalMac.

Please note the precise dates on which tickets are valid. Restrictions may apply.

Single – Date for which issued. No restrictions on use.

Return – The sum of the single fares which apply on travel dates. No restrictions on use. Valid for one month.

Saver Single – Date for which issued (availability

is limited on some services – see individual route timetables for details).

Saver Return – The sum of the single fares which apply on travel dates. Valid for one month (availability is limited on some services – see individual route timetables for details).

Saver 5 Day Return – Valid for 5 days/4 nights (availability is limited on some services – see individual route timetables for details).

Partially used Saver 5 Day Return tickets are non-refundable. Saver 5 Day Return ticket return portions can be extended to full standard returns during validity period of the ticket by presenting the ticket to a port office and paying the additional fare.

5/6/10/30/50 Journey – Valid for one passenger or one nominated motorised vehicle. Strictly non-transferable. Multi-journey tickets are only valid if attached to the header portion and are valid for 12 months from date of issue.

Island Hopscotch® – Valid for one month.

Island Rover – Valid for 8 or 15 consecutive days. Vehicle Island Rover tickets are not valid on the Small Isles and Iona services. Caravan and Motorhome Island Rover tickets are not valid on Gigha and Colonsay services.

Passengers should note in particular:

- Not all types of ticket are available on every route

(1) Multi-journey tickets, partially used Saver 5 Day Return tickets, Travel Trade tickets, group tickets and other reduced rate tickets which may be available are non-refundable. Refunds on 8 and 15 day Island Rover tickets will not be considered if received after the valid from date.

(2) Season Tickets – are available to passengers on Largs/Cumbrae Slip and Wemyss Bay/Rothesay services only. Valid for periods of one month, three months, six months or twelve months.

Defaced, damaged or destroyed tickets: Any ticket which has become illegible, mutilated or destroyed will not be valid or eligible for refund. Tickets must be kept away from water and heat sources to prevent damage.

Receipts: Passengers should note that receipts can only be issued at time of ticket purchase.

Please note that all tickets must be purchased prior to boarding ships on any route where there is a shore ticketing facility.

SAVER SINGLE, SAVER RETURN AND SAVER 5 DAY RETURN

- Ardrossan - Brodick
- Largs - Cumbrae Slip
- Oban – Craignure

On these routes, when travelling on a full fare sailing, passengers (Largs – Cumbrae Slip only), cars, caravans, motorhomes, boat/baggage trailers and motorcycles must use a single/return ticket, Island Hopscotch® ticket, Island Rover ticket or a 5/6 Journey ticket.

REFUNDS

Consideration will be given to all applications for refund in respect of unused refundable tickets returned to Customer Care at Support Services. Please note that refunds will not be considered for 5/6/10/30/50 journey tickets, partially used Saver 5 Day Return tickets, Travel Trade tickets, group tickets or other reduced rate tickets which may be available. Refunds on 8 and 15 day Island Rover tickets will not be considered if received after the valid from date. Refunds will not be given on expired tickets. Refunds on partially used refundable tickets are calculated on the basis of the fare paid minus the number of journeys taken, charged at the full single fare. A £10 administration charge will be applied to each refund per customer application.

ROAD TAX EXEMPT VEHICLES

IF YOU ARE TRAVELLING BY CAR OR MOTORHOME

On certain routes, a discount may be available on the normal single vehicle fare only for a car or motorhome which is exempt from road tax through reasons of disability, and which is accompanied by the blue card holder. In order to receive the discount you must have the documentation detailed below with you at the time of travel. Discount is not available on routes where an **RET** symbol is displayed.

DOCUMENTATION REQUIRED

When making your reservation, copies of your road tax exempt tax disc and blue card will be required in order for tickets to be issued.

Supporting documentation (the blue card, bearing the name and photograph of the card holder) must be carried at time of travel and be presented when requested. Failure to produce the documentation will result in the full fare being charged.

If you do not have a blue card, this can be obtained from your local authority by submitting your Motability Agreement or Certificate of Entitlement issued by the Department of Work and Pensions (DWP). Alternatively, you can request form DBD 384 from the DWP.

NB – The blue card holder must travel with the vehicle.

PASSENGERS REQUIRING ASSISTANCE

When practicable, assistance embarking or disembarking the ship will be available wherever requested e.g. through use of hazard warning lights on arrival at the car marshalling area. Please advise at the time of booking and when checking in at marshalling areas or terminals, of any special requirements you may have (e.g. use of lifts/wheelchairs). Some ships have facilities for disabled passengers, e.g. a lift, which can be used on request. There are a limited number of spaces available close to the lifts and at busy periods demand can be high. (See note in each timetable and please check availability before travelling.)

Assistance may also be available for passengers with audio or visual needs. Please advise us of your requirements at the time of booking, or let the Port Offices know in advance if assistance is required.

WHEELCHAIRS

Passengers requiring the use of a wheelchair at terminals or on ships are advised to contact the port of departure before travelling. Some ships, particularly the smaller ones, may have limited numbers of wheelchairs available and demand can be high.

VEHICLE LENGTHS

Vehicles are charged by overall length with rates detailed on each timetable. This will include any racks, towbars etc, and any overhanging roof rack

items. The length of all types of vehicle must be declared at time of booking.

CARS

Cars are charged as "each" without reference to length. However, when booking it is necessary to declare the full length inclusive of items such as cycle racks etc., to ensure adequate space is reserved on the ship. Vehicles whose lengths are under-declared may not be accommodated on board at busy times. Vans may only travel at car rates when less than 5 metres (see "OTHER VEHICLES" below). Please ensure accurate lengths are quoted at time of booking to avoid excess charges being applied.

TRAILERS/CARAVANS/BOATS

- When towed by a car rated vehicle, are charged by length, up to 2.5m, 5m, 8m, as appropriate.
- When being towed by a Commercial Vehicle (e.g. a van over 5m) the combined length will be charged at Commercial Vehicle rates.
- Livestock trailer rates available on application.
- Horse Transporters are charged at Commercial Vehicle Rates

BUSES AND COACHES

- Minibuses (not exceeding 5m) are charged the same rate as a car.
- Minibuses over 5m and all Coaches – rates available on application.
- Coaches exceeding 8m and carrying fewer than 12 fare paying passengers will be charged at Commercial Vehicle rates.
- The driver's fare is included in coach rates for vehicles over 5m.

MOTORHOME

A motorhome is generally defined as a windowed vehicle containing permanent living facilities. This does not include horse boxes and other livestock carriers.

Within the UK, a motorhome can be identified from the V5 registration document as having a body type "Motor Caravan".

In the event that a converted van is not considered, in the opinion of CalMac, to be a motorhome, and the V5 registration document is not available then the appropriate van fare will apply. If, within 30 days, copies of the receipt and the V5 registration document, identifying the vehicle as a "Motor Caravan" are sent to Customer Care at Support Services, consideration will be given to refunding the excess fare paid. For this reason passengers travelling in a converted motorhome are advised to consider carrying a photocopy of their vehicle's V5 registration document.

- Motorhomes are charged by length up to 5m, 8m and 10m, as appropriate.
- Over 10m – Commercial Vehicle rates apply.

OTHER VEHICLES

Light vans and pickups less than 5m, and which are less than 3m in height, 2.3m in width, and 3.5t plated weight, are charged at car rates but are not eligible for Island Rover tickets or concession discounted fares.

Irrespective of length, light vans and pickups exceeding 3m in height, or 2.3m in width, or 3.5t plated weight are charged at Commercial Vehicle rates.

Vehicles over 3.5t plated weight require to be fitted with lashing points and must produce a written declaration of the gross vehicle weight and description of load at the time of shipment – refer to Commercial Vehicle Conditions of Shipment (October 2008) leaflet.

All Commercial Vehicles, light vans and pickups based on a Commercial Vehicle chassis, exceeding 5m in length are charged at Commercial Rates.

The driver's fare is included in Commercial Vehicle rate.

DIMENSIONS

Vehicles may be measured prior to embarkation, and vehicles which exceed the declared dimensions by any amount, will be subject to payment of the correct fare, and may not be accommodated on board at busy times.

TRAILERS

Trailers towed by vehicles charged at non-commercial fares will be charged at the fares in this publication. If towed by a commercially rated vehicle, then the total length of both the trailer/caravan and towing vehicle will be charged at commercial rates.

COMMERCIAL VEHICLES

Are carried by prior arrangement – rates on application from port of departure. Refer to Commercial Vehicle Conditions of Shipment (October 2008) leaflet.

LASHING POINTS

All commercial vehicles in excess of 3.5 tonnes plated weight presented for shipment must be fitted with lashing points in compliance with Ro-Ro Ships – Stowage and Securing of Vehicles – Code of Practice. Vehicles not complying with this Code of Practice, and the requirements stated in the Company's Commercial Vehicles Conditions and Charges leaflet (available from any office), will be refused shipment.

MOTORCYCLES

Bookings are recommended on reservable routes as space for motorcycles may be limited. Groups of motorcyclists are advised to reconfirm with the port of departure on the day before travel. Motorcycles can only be positioned and secured on car decks under CalMac staff supervision.

PEDAL CYCLES/KAYAKS/CANOES/SURF BOARDS

When brought on board by foot passengers, the above are carried free of charge, subject to availability of space. In the interests of safety, and in consideration of other passengers, they are not considered to be hand luggage and accordingly are not permitted up or down passenger gangways. They must be stored in the designated area on the car deck under the supervision of a crew member. On occasions it may not be possible to provide facilities to store all pedal cycles in an upright position. Groups travelling together with the above are advised to contact the port of departure before the day of travel.

ROOF AND CYCLE RACKS

Drivers of vehicles carrying baggage etc. on roof racks must be prepared to remove these items and roof racks at time of shipment, if required to do so by CalMac staff. The same applies to pedal cycles on racks, which must be declared at the time of booking. Pedal cycles are not considered as hand luggage. Groups of pedal cyclists travelling together are advised to contact the port of departure before the day of travel.

CARRIAGE OF PETS

Pets are welcome on board and travel free of charge. For health, hygiene and safety reasons we would ask that passengers observe the following guidelines.

PASSENGERS' RESPONSIBILITIES

Passengers are advised that they are solely responsible for the welfare and conduct of their pets, and in particular dogs, whilst in terminal areas and on board. It is the owner's responsibility to clean up any mess created by their pets. Every effort should be made not to inconvenience other passengers. Pets are not permitted to sit on seats.

Pets should never be left unsupervised, other than when they are left in a vehicle, and should always be exercised before boarding. CalMac reserves the right to ask dog owners to muzzle their dogs. Owners may be requested to remove pets from public areas.

SPECIAL ARRANGEMENTS

Where special arrangements would be helpful to owners i.e. storing a pet in an RSPCA approved pet carrier or similar apparatus, provided by the owner, a location may be identified on the ship by prior arrangement with the port of departure. Owners should contact the port of departure at least seven days in advance of travel.

DESIGNATED PET AREAS

On most of our ships pets are allowed access to all outside passenger areas. Many of our larger ships have internal pet areas with seating provided for owners. When inside, passengers travelling with pets must remain in these areas. On some ships pets are not permitted inside.

For health, hygiene and safety reasons, pets must not be allowed to sit on seats; they are not permitted in certain lounges within the ship or areas where food and/or drinks are served.

Support Dogs are allowed access to all passenger areas.

TRAVELLING BY CAR

If you are travelling by car, it is recommended that all pets are left inside vehicles for the duration of the journey. Please make sure that appropriate provisions, including water and ventilation, are made for pets left in cars, taking into account the weather conditions and the length of the journey. On a number of ships, unrestricted access to the car deck is not permitted whilst at sea. On longer journeys arrangements can be made for you to be accompanied to the car deck to visit your pet.

DOGS

If you choose not to leave your dog in the car or you are travelling as a foot passenger, please be aware that ships can be busy and noisy and some vibration may be experienced during the journey. As a result of this, and being in a confined space, dogs can become agitated whilst on board. Passengers are advised to stay with their dogs at all times, other than when they are left in a vehicle, and to keep them calm and quiet. Dogs must be restrained by a harness or a collar and lead.

Other passengers may not be aware of your dog's temperament whilst travelling and may approach it. You may wish to consider, for the safety of your dog and other passengers, muzzling your dog before boarding the ship.

CalMac does not accept liability for damage or injury caused by dogs whilst on CalMac premises or ships. In the event of any incident whereby a dog causes alarm or injury this will be reported to the appropriate authorities i.e. the police. In some cases this could lead to the owner being charged with an offence under the Dangerous Dogs Act 1991 and the animal being destroyed.

It is CalMac's aim to make journeys as safe and comfortable as possible for all our passengers. Please take due care and show consideration for everyone on board. If further advice is required regarding travelling with pets or about designated areas on board our ships, please do not hesitate to contact the Customer Care Department (01475 650338 or customer-care@calmac.co.uk) or any member of staff or crew.

LOST TICKETS

Passengers must be in possession of valid tickets at the time of travel and must be prepared to produce them when required. CalMac will not replace lost, stolen, or mislaid tickets. In such circumstances passengers must purchase replacement tickets. If the lost tickets are subsequently found and returned to Customer Care at Support Services then a full refund less an administration charge will be paid. (See refunds).

LATEST PASSENGER/VEHICLE CHECK IN TIMES

The times shown at the top of each timetable are the times when passenger and vehicle check in closes. Late vehicle check in will result in space being reallocated and may lead to the vehicle being refused carriage. Passengers are required to observe boarding times in order that safety procedures can be carried out. On routes where there is shore ticketing, valid tickets must be purchased before boarding.

YOUR GUIDE TO THE PASSENGER COUNTING REGULATIONS

Under the Merchant Shipping (Counting and Registration of Persons on Board Passenger Ships) Regulations 1999 under European Council Directive 98/41/EC and enforced by the Maritime and Coastguard Agency, it is a requirement that details of the number of passengers and crew on board are recorded and reported before the ship leaves port.

In order to comply with the regulations, and to ensure that sailings depart on time, the gangway will be removed and vehicle decks closed prior to sailing time. This will be followed by a short time lapse while the information is passed ashore and recorded.

Vehicle drivers must comply with check in times and passengers must be available for boarding prior to the advertised sailing time; (see timetables). We regret that it will not be possible to accommodate latecomers.

PASSENGER REGISTRATION

Please note that regulations requiring the recording of passenger details (name, sex, age) apply to the following routes in both directions:

- Oban – Castlebay
- Oban – Coll
- Oban – Tiree
- Lochboisdale – Castlebay
- Uig – Tarbert
- Ullapool – Stornoway
- Oban – Colonsay
- Oban – Lochboisdale
- Coll – Tiree
- Tiree – Castlebay
- Uig – Lochmaddy

Passengers travelling on these routes must observe the check in times for registration for the particular sailing and be on board at least 10 minutes prior to sailing time. (See appropriate timetable for information.) Each passenger must complete a Passenger Registration card. These cards will then be collected from you on boarding and, where applicable, the second (landing) part of the card should be retained for collection on disembarking. (See appropriate timetable for information).

SECURITY NOTICE

Passengers are requested to keep baggage or other packages and personal effects with them at all times in terminals and should not leave them unattended. Passengers should place such items in the designated areas (where provided) whilst on board the ship.

Any items left unattended outwith designated baggage areas will be removed, may be reported to the police and may be destroyed without warning.

SAFETY ON BOARD

- Passengers are requested to pay attention to safety announcements and/or notices.
- Passengers are not allowed on vehicle decks of certain ships while they are at sea.

- Vehicle occupants must be prepared to leave their vehicles as soon as they are parked on board.
- Smoking is not permitted on the car deck or in internal passenger areas.
- Passengers are advised to ensure they have all necessary medication to hand.

CHILDREN

Children under five years old travel free and children aged 5-15 travel at half the adult fare. Parents/Guardians are responsible for the conduct of the children in their care whilst in terminals and on board and should ensure that they are supervised at all times. To make journeys as safe and comfortable as possible for everyone please remind children that it is not safe to run anywhere while on board or in a terminal area. Cub Club activity areas are available on many of our larger ships and children's meal options are also available from Mariners cafeterias and selected Coffee Cabins.

BAGGAGE

Passengers are allowed 40kg each of personal baggage (suitcases, rucksacks etc but not commercial goods) FREE. Passengers must be able to carry the luggage up the gangway in one trip. Passengers are not permitted to make several trips up and down the gangway due to counting regulations.

DRIVING ON BOARD

In the interests of safety please adhere to the following when driving your vehicle onto the ferry.

- Pay attention to the staff that are guiding the vehicle.
- Always manoeuvre at slow speed.
- Do not use mobile phones whilst embarking or disembarking.
- Switch off radios and open a window to ensure you can hear any verbal directions.
- Consider leaving pets in the car with suitable ventilation rather than taking them up to the passenger spaces.
- Before leaving the car, check that the car is in gear and the handbrake is on.
- When waiting to disembark, do not start the engine until directed to move off to avoid unnecessary fumes.

MOBILE PHONES

Passengers are requested to use mobile phones discreetly, in consideration of other passengers.

CONSUMPTION OF ALCOHOL

Alcohol is offered for sale on many of the ships operated by CalMac. Care should be taken not to inconvenience or cause offence to others. CalMac reserves the right to refuse service of alcoholic beverages. No alcohol may be consumed unless purchased on board.

SMOKING POLICY

CalMac operates a policy of no smoking within internal passenger areas in line with current legislation. Smoking is not permitted on the car deck.

CAR ALARMS

Some vehicles may have car alarms which are ultra-sensitive and liable to be activated while at sea. Passengers are advised to disarm alarms and are responsible for disarming any such devices while safely locking the vehicle. Passengers are not allowed on the car deck when the ship is at sea. Passengers should ensure that valuable items in vehicles are kept out of sight.

DANGEROUS GOODS

Dangerous Goods (including flammable substances such as petrol, LPG etc.) are only carried by prior arrangement and in accordance with strict Maritime and Coastguard Agency (MCA) regulations and must be declared at least 24 hours in advance to the port of departure. Spare cans of fuel such as petrol or diesel shall not be carried. CalMac reserves the right to inspect/refuse any vehicle presented for shipment.

FIREARMS

Passengers wishing to carry a firearm and/or ammunition, either in person or in a vehicle, must declare them to the port at which they check in prior to boarding the ship.

Persons carrying firearms and ammunition must have the required permit and be prepared to produce it when requested. All firearms and ammunition must be handed over to a member of crew for safekeeping during the voyage.

The Company reserves the right to refuse shipment.

ONBOARD SERVICES

Across the fleet there are cafeterias, coffee outlets and bars serving a range of meals and refreshments as well as retail shops for handy holiday items and gifts. Services vary depending on length of journey. For more information on our onboard services and facilities, visit www.calmac.co.uk/onboard.

CUSTOMER FEEDBACK

If you enjoyed your journey with us or if you wish to provide feedback on our service we'd love to hear from you. Complete one of our customer feedback forms, which are available on board ships and at port offices throughout the network, and contribute to the ongoing review and development of our services. If for any reason our service failed to meet your expectations, please speak to one of our crew or port staff, at your earliest opportunity, to discuss your concerns. Where possible, all customer concerns should be dealt with locally, in the first instance.

If you are unable to provide feedback locally, or for any reason are not satisfied with the response you receive, please contact us by:

All formal complaints will be acknowledged in writing within five working days of receipt. Complaints will then be dealt with within 21 working days of our acknowledgement. If it is not possible to respond fully to your complaint within 21 working days (e.g. because the investigation cannot be completed due to shift patterns etc), you will be informed in writing at that point of the reasons for the delay and the likely timescale for a resolution. Complaints raised with Customer Care will be investigated in conjunction with Regional Managers in the first instance and appropriate Heads of Department.

BERTHING AND PIER DUES

CalMac pays berthing dues to Pier and Harbour Authorities for the use of their ports and collects pier dues on their behalf which are included in the fares. Fares may be subject to change if third party charges increase.

SHIP DEPLOYMENT

Customers are advised that during periods of planned maintenance, annual overhauls and disruptions, some routes may be serviced by ships from other areas of the network. This may affect journey times, connections and the availability of onboard services. CalMac will endeavour to make details of these changes available as soon as possible.

RET ROUTES

In March 2008 the Scottish Government announced a programme to pilot a Road Equivalent Tariff pricing scheme (RET). The 5 routes included in the pilot are identified by an **RET** symbol. Only single and return fares are available on these routes.

Take the grand tour of Scotland's Clyde and Hebridean Islands with a CalMac Island Hopscotch® Ticket. Valid for one month from the date of your first journey, Island Hopscotch® Tickets let you make your adventure and travel at your own pace. With 25 combinations to choose from, expert advice from our friendly staff and the comfort and ease of CalMac, this really is the way to travel.

See pages 9 and 10 for details of Island Hopscotch® destinations and fares.

The "Scottish Island Whisky Hopscotch" gives you the opportunity to sail and trail to some of Scotland's finest distilleries. There are three Trails. The North Trail allows you to visit the distilleries at Oban and on Mull and Skye. The South Trail takes in distilleries on Arran, Kintyre and Islay. The Combined Trail allows you to visit all these distilleries and you can take as long as you like for up to one month.

Of course, not everyone wants or needs to have their route planned for them. If you're looking for a different kind of Scottish get away, a holiday that allows you to stay where you like for as long as you like, CalMac's Island Rover is ideal. Whether you try to visit all of the islands, or only manage to see a couple, with an Island Rover lasting either 8 or 15 consecutive days you'll believe you have the Freedom of the Isles.

Island Rover Tickets are runabout tickets for foot passengers or for passengers with cars*, caravans**, trailers and motorcycles.

There are two types – one valid for 8 consecutive days, and one for 15 consecutive days. They are valid for unlimited travel on CalMac's ferry services.

The purchase of an Island Rover Ticket does not automatically ensure vehicle space on any particular sailing. Advance booking on certain sailings is recommended, particularly at weekends and other peak times. Details of services requiring reservations can be found in the appropriate timetables.

*Vehicle Island Rover Tickets are not valid on the Small Isles and the Iona services.

**Caravan and Motorhome Island Rover Tickets are not valid on the Gigha and Colonsay services.

Island Hopscotch[®] Tickets

A selection of attractive fares for cars and accompanying passengers on a selection (there are 25 to choose from!) of pre-planned routes on Island Hopping holidays. Pedal cyclists on Island Hopscotch[®] tours pay only for themselves – their pedal cycles travel free. Island Hopscotch[®] tours can be carried out in either direction and tickets are valid for one month from date of first journey. The purchase of such tickets does not automatically ensure a place on any particular sailing; therefore advance booking on certain routes is strongly recommended. See Timetable for details.
